ANNA PISARSKI,

Plaintiff,

v.

STATE FARM MUTUAL AUTOMOBILE
INSURANCE COMPANY,

Defendant.

Case No. 3:24-CV-00080-ART-CLB

**ORDER DENYING STIPULATION
TO EXTEND TIME**

[ECF No. 19]

Before the Court is a stipulation to modify the discovery plan and scheduling order in this case. (ECF No. 19.) However, the stipulation fails to comply with Local Rule ("LR") 26-3, in that it does not include:

- ☒ A statement specifying the discovery completed as required by LR 26-3(a).
- ☒ A specific description of the discovery that remains to be completed as required by LR 26-3(b).
- ☒ The reasons why discovery remaining was not completed with the time limits set by the discovery plan pursuant to LR 26-3(c).
- ☐ A proposed schedule for completing all remaining discovery as required by LR 26-3(d).

Accordingly, the stipulation to extend time is **DENIED, without prejudice**, for the parties to file an amended stipulation in compliance with LR 26-3.

IT IS SO ORDERED.

DATED: June 6, 2024.
